November 26, 2014

Dear Parents / Guardians:

Date of Excursion: Monday, December 8, 2014
Destination: Fort George National Historic Site (Niagara-on-the-Lake, Ontario)
Transportation: School bus
Cost to Student: \$20.00
Classes participating: Gr. 9 Academic French classes

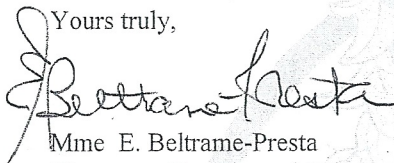

The Gr. 9 Academic French classes will be visiting Fort George National Historic Site on Monday, December 8th, 2014. During their visit, students will be enjoying a tour of the Fort, a French-Canadian tradition and cultural adventure which our students will experience first hand. In addition to learning about the War of 1812 and the fort's role in it, they will experience and learn for themselves how soldiers and their families lived and why forts were built. The entire day program is offered in French to allow our students to further develop their listening comprehension skills and practice their oral communication skills.

Students will be departing Blessed Trinity Catholic Secondary School at 8:45 a.m., arriving at Fort George at approximately 9:30 a.m. We will be departing from George at 1:30 p.m., returning to Blessed Trinity Catholic Secondary School at approximately 2:15 p.m. Students are expected to be in full uniform and to bring their own lunch. Please make sure you wear proper outside attire, including footwear, for the outside component of this field trip given that tours take place rain or shine.

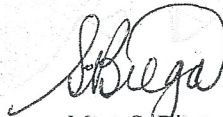

Parents may submit payment for this field trip online, using the new and secure website School Cash Online. Visit www.schoolcashionline.com to create an account. Once the student is added to the account, payment can be made.

If you have any questions or concerns, please contact Mrs. Biega at (905) 945-6706, ext. 2792.

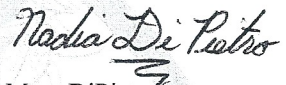

Yours truly,
